[Vanessa hates Mark]

I'm impressed by how quickly she has freed herself from Mark's spell, but perhaps she has taken what she needed from him and decided to leave.

Vanessa, you've changed, ... A few days of respectability, that's all it takes for part of the soul to die.

You're sure no one's with you?

What kind of drama affects you?

You've picked up some kind of trail there. You think it leads to a new self you're searching for. Maybe you need to find it. That's why I said nothing to the superintendent.

Protest movements, sane and insane, sensible and absurd, touched almost every aspect of life in all Eurasia, a vast web of demonstrations that tapped a desperate need for a more meaningful world.
